

The Babies & Children's Memorial Garden

Brick Order Form

Nothing can ever prepare us for the loss of a loved one, especially the loss of a child. The Babies & Children's Memorial Garden was designed to offer a place of peace and solace for grieving families. Engraved bricks are placed alongside the Garden's pathway in dedication to a baby or child who has passed. We hope the pathway can pay as a beautiful tribute to the lives of these children.

We hope you visit our Babies and Children's Memorial Garden located across the street from the Pediatric Emergency Room. Wishing your family peace, comfort & strength to help you through this difficult time.

Please print the message exactly as you would like it to appear on the brick, please account for spacing in the boxes below.
